Camper 795 Camper Sat Navs

NEW PRODUCT ANNOUNCEMENT

PRODUCT OVERVIEW:

Plan to make memories with Garmin Camper 795 and CamperCam 795 sat navs. Get custom routing¹ for the size and weight of your Camper – with road warnings for steep grades, sharp curves, and more. Access a directory of camper parks and services, and see suggestions for the best spots along your route and activities to try around your destination. Plus, enjoy BirdsEye Satellite Imagery, which shows vivid aerial views to help you have a smooth arrival at your camper park or campground.

The CamperCam 795 model adds a built-in dash cam² to serve as an eyewitness during your adventure. It continually records and saves video of detected incidents and the camera allows forward collision and lane departure warnings to increase situational awareness. Easily view and share your important video clips using the Garmin Drive™ app on your smartphone.
